### **About the SOE Awards:**

The Spirit of Enterprise Awards platform is an annual award conferred to deserving business entrepreneurs to honour their outstanding achievements. It aims to recognise our local entrepreneurs' courage, perseverance, and innovation in their journey of entrepreneurship. These local entrepreneurs serve to become role models for our young Singaporeans to emulate and to inspire the youths to take the bold step in becoming enterprising entrepreneurs. All nominees are interviewed by SOE's appointed Student Interviewers who will prepare interview transcripts, together with supporting documents, for submission to SOE Judging Panel, comprising the SOE Board of Governors. The Judging Panel will review the submissions and select the honourees based on the selection criteria established.
