As the only accounting and business advisory firm among the six competitive teams, CLA Global TS managed to connect with the other participating teams, building new relationships and making new friends.

“When we connect at each leg of the BT Corporate Golf League, which typically lasts more than half-a-day, it gives us ample time to know one other well. Such events also allow business owners to take some time off from day-to-day business operations to connect with people meaningfully. With the interactions so far, I have already made many new friends and rekindled old friendships,” said Mr Henry Tan in [an interview with The Business Times](#) on CLA Global TS’ participation.
