CLA Global TS Cultivates Talents for the Industry's Growth in Conjunction with ISCA's Polytechnic Pathway Program

CLA Global TS hosted students from Millennia Institute as part of the firm's ongoing efforts in connecting with students from various educational backgrounds—including university, polytechnic, ITE, and secondary schools—in our office over a chat and office tour.

Singapore, 24 July 2025 – In light of the **Institute of Singapore Chartered Accountants' (ISCA)** launch of the **Polytechnic Pathway Programme (PPP)**, **CLA Global TS** is excited to continue supporting the development of young polytechnic talents in their pursuit of upskilling and advancing in the field of accountancy.

ISCA's PPP presents itself as an opportunity for students aspiring to be Accountants to further develop in the Accounting industry, encouraging those aiming to obtain the Singapore Chartered Accountant Qualification (SCAQ) upon the completion of their diplomas to tap on the benefits from ISCA such as sponsorships SCAQ-related expenses and access to educational supports.

At **CLA Global TS**, Polytechnic graduates, during their employment in the firm, are encouraged to pursue the SCA Qualifications after their diplomas, allowing them to further expand their horizons through new experiences. The firm is proud to have such talents who have joined the firm as Polytechnic Graduates and have since obtained their SCA Qualifications. They have continued to strive on in their careers through opportunities such as overseas secondment attachments.

The gentleman in the photo, Jordon Tan, is one of talents who joined CLA Global TS as a polytechnic graduate and later attained his SCA qualifications. He is currently serving as a Manager on secondment at CliftonLarsonAllen in the U.S., as part of our innovative Mobility Abroad Program.

“The **Polytechnic Pathway Programme** is an advantageous step in supporting the future talents of the Accounting industry. As an Accounting firm ourselves, **CLA Global TS** is committed to growing and nurturing the future generation of accountants, and are pleased to offer equal opportunities for students across different educational paths for them to reach their aspirations and potential. Through this initiative by ISCA, we hope to further create winning opportunities for Our People, Our Clients and Our Communities, through the nurturement and cultivation of rising talents within our industry,” said **Mr. Henry Tan, Group CEO & Chief Innovation Officer at CLA Global TS.**

July's edition of the "Group CEO Meets the Interns" session, where Mr. Henry Tan engages in informal conversations and shares advice with interns from both local and international institutions.

Creating Opportunities for Our Communities through Education

Since 2008, **CLA Global TS** has been awarding scholarships to financially needy students from local universities and polytechnics. In April 2023, the firm expanded its support to include students from the Institute of Technical Education (ITE) College Central by [launching its first scholarship](#) and training programme for those pursuing accountancy-related courses. This initiative reflects the firm's commitment to providing equal opportunities for students from diverse backgrounds to achieve their career aspirations.

In April 2023, CLA Global TS launching its scholarship and mentorship programme for ITE Central College Students.
