CLA Global TS Leads the Charge in Holiday Giving with Boys' Brigade Share-A-Gift (BBSG) Project

CLA Global TS gathers at 9 North Bridge Road to deliver hampers to the beneficiaries of the Boys' Brigade Share-a-Gift Project.

Singapore, 24 December 2025 – CLA Global TS wraps up the year by giving back to the community, distributing hampers to the beneficiary residents of the [Boys' Brigade Share-A-Gift \(BBSG\)](#) Project at North Bridge Road on 10 December 2025.

For the 17th year running, **CLA Global TS** reaffirms its dedication to social responsibility through its support of this project, recognised as one of Singapore's longest-established community service initiatives since 1988, under its annual **Corporate Social Responsibility (CSR) Day** tradition. Despite the rain this year, **CLA Global TS** delivered a total of **274 hampers to 137 beneficiaries**—a testament to the firm's strong commitment to giving back to the community through collective voluntary work, creating a meaningful impact.

Adding to the festive spirit of giving, **CLA Global TS** reinforced its commitment to charity by matching every staff donation, **raising a total of \$5,000**. The amount raised will be used for a charitable cause, with its sole purpose to be used by the **Boys' Brigade Singapore** to acquire essential food and items for the elderly and less fortunate in Singapore.

Mr. Henry Tan, Group CEO & Chief Innovation Officer of CLA Global TS, addressing the firm at the start of CSR Day 2025, with staff preparing hampers for distribution.

Mr. Henry Tan, Group CEO & Chief Innovation Officer at CLA Global TS said: “It is truly inspiring to see the entire **CLA Global TS** team come together once again to give back to our communities. Our firm has long believed in sharing joy and extending support to families in need, particularly during the festive season, so that beneficiaries of the **Boys' Brigade Share-A-Gift** initiative can also experience the spirit of giving and togetherness. Through donations and volunteering to deliver hampers, we are reminded that small efforts, when multiplied, create a significant impact—especially for a compassionate cause.”

“Initiatives like this help foster a culture of giving within our organisation, inspiring younger generations to recognise the importance of sharing with those less fortunate. These efforts bring joy not only to the recipients but also to our people, who embrace the opportunity and take pride in the process of giving. It is a privilege to work alongside such dedicated, like-minded individuals who share our mission of creating opportunities and uplifting communities during this season of joy,” added **Mr. Henry Tan, Group CEO & Chief Innovation Officer at CLA Global TS.**
